Associated Organizations:

- (1) Japan: will be updated;
- (2) Korea: will be updated;
- (3) Taiwan: National Central University, National Chung Hsing University, Academia Sinica (Research Center for Applied Sciences);
- (4) Saudi Arabia; KFUPM University;
- (5) Malaysia: Universiti Malaya, Universiti Tunku Abdul Rahman;
- (6) Thailand: King Mongkut's Institute of Technology Ladkrabang (BKK),...;
- (7) Vietnam: VN-UK Institute For Research and Executive Education (VNUK), Digisensor JSC,...;

General Co-chairs

Takahito Ono (Tohoku University, Japan), Tran Minh Triet (VNUHCM-US), Nguyen Van Hieu (HSIA), Huynh Van Tuan (VNUHCM-US) and Nguyen Ba Hoang (BVU);

Dear Professors, Researchers, and Graduate students,

On behalf of the organizer and program committee, we cordially invite you to contribute an oral presentation/poster presentation at ***“The 7th International Conference on Engineering, Physics, MEMS-Biosensors and Applications 2026”*** (ICEBA2026). This event will be organized in Ho Chi Minh city, Vietnam on November 2,3&4, 2026.

The purpose of ICEBA2026 is to link the researchers and scientists from Vietnam, Japan, Australia, and other countries within the fields of Engineering, Physics, Microelectronics, Semiconductors, MEMS-biosensors and their applications in mechanical, biomedical engineering, health sciences, life sciences, hi-tech agriculture and smart cities, smart transportation system, intelligent system in logistics and harbor design, contractor and maintenance. Additionally, we also aim to promote international cooperation activities on joint research projects and international co-publications.

ICEBA2026 will be held in HoChiMinh city with 3 locations: VNUHCM- University of Science (Cho Quan ward) in Nov 2nd, Grand Palace Hotel (Vung Tau ward) in Nov 3rd and Ba Ria-Vung tau University in Nov 4th.

All full papers after reviewing process will be published **on 1 of 4 publications** after December 01, 2026:

- (1) The Proceeding of ICEBA2026 on **Book Series of Springer Nature** (Indexed Scopus);
- (2) The special issue of **Chinese Journal of Physics** (Q1/Q2, Taiwan);
- (3) The special issue of **IEEJ Transactions on Electrical and Electronic Engineering** (Q3, Japan);
- (4) **Journal of Construction** (Vietnamese, Non-Scopus).

We extend this invitation to you and your colleagues to attend our research presentations and engage in meaningful discussions at ICEBA2026. Please send your registration and research to our submission link:
